

OLA Coaching Requirements Simplified Form 100

Definitions

In-Training: coach has attended the appropriate clinic.

Trained: coach has attended the appropriate clinic and has successfully completed the evaluation workbook.

Certified: coach has attended the appropriate clinic, successfully completed the evaluation workbook, CAC on-line ethics test, and an in-person/video evaluation of support to athletes in training OR coach has completed the technical, theory, and practical components of the old NCCP system.

Old NCCP vs. New NCCP

Old NCCP: Levels 1, 2, 3 in technical (complete lacrosse specific clinic), theory (complete multi-sport clinic), and practical (coach a year and complete evaluation workbook).

New NCCP: community-initiation (roughly pre-Level 1), community-development (roughly Level 1), competitive-introduction (roughly Level 2), and competitive-development (roughly Level 3). In the new NCCP, technical and theory are integrated in the same clinic.
